

# Summer Newsletter

July 2018

*"Not a single bee has ever sent you an invoice. Everything from nature is free—because it is not invoiced, because it is not priced, because it is not traded in markets, we tend to ignore it." -Pavan Sukhdev*

## Upcoming Events / Updates!

- Hive inspections will {RESUME IN AUGUST } on TUESDAYS @ 10 AM at the Macomb Community College Apiary! < Join us at any time to help! >
- Acre of deer resistant wildflower seed has been planted and flowers are started to grow! We have also planted butterfly bushes, Trumpeter Vines, Rosa Sharons, Katmint, and Lavender!
- We are up to 70 Club Members!
- Next club meeting will be August 12 @ 12:30 at the Apiary

## New Bee-ginnings!

Club member hives are doing well and we have added honey boxes!

**Crazy comb being built in between frames that were not pushed all the way together!**

# Summer Newsletter

## Pollinator's Day Success!

Community members stopped by and enjoyed seeing the inside of frames, honey flavored treats, and several even dressed and went into our hives. We also had several people sign up for the club!
