

JEAN-FRANCOIS FALOPPA EDUCATIONAL APIARY

# Spring Newsletter

April 2019

The honey bee's wings stroke incredibly fast, about 200 beats per second, thus making their famous, distinctive buzz.

## Upcoming Events / Updates!

### Remind 101

This is an easy way for Jim Ford to text you reminders and important information without having to send an email. This will become a primary source of communication for bee club soon. Text the number and message below and voila, you're signed up for remind 101!

TEXT THIS NUMBER: 81010  
TEXT THIS MESSAGE: @MCCBE

### SPONSORSHIP

We are looking for people or businesses to sponsor the Bee Club so we can add to our apiary and plant more trees and flowers. If you know someone who might be interested, please give them the form attached to this email!

### Website

We will be utilizing our website more and more. Please become familiar with it and let us know what other information you would like to see on there.
